Sunco is your Trusted Telecom Systems Integrator

Making business communication *easier* for you

From modest beginnings as a home-based, family-run business, Sunco has grown over the past 20 years into the trusted telecommunications partner for over 1,600 businesses across Canada. We are a proud, Canadian company with the love of business communication at the very core of what we do.

Our team lives, breathes and works with these technologies on a daily basis, and understands how complex they can be. That's why we're committed to making business communication *easier* for your organization. How do we do this? By being an *Integrator*. We fit all the pieces of your voice/data systems together into a unified whole - giving you superior design, support and management all through one point of contact. This strategy ensures you get the technology and services your business needs, delivered in a way that is coordinated, convenient and just *easier*.

No more confusing network service contracts, overseas call centres, long wait times and impersonal service. We promise honest advice and personal support delivered in a way that reflects our core values:

- **We Embrace Change**
- **We Do What It Takes**
- **We are Accountable to the Outcome**
- **We Do the Right Thing**
- **We Bring Out the Best in Each Other**

The Sunco team is ready to help. Leverage our Integrator strategy to help make business communication *easier* for your organization. Optimize your time to focus on what matters most - *growing your business*.
